

PEEL & INSERT
Peel the wax sheet from the back of card. Place the card on the cork, lining up the corresponding holes. Place the blister sheet into the holes.

FILL
Fill each blister with the required medication.

FOLD & SEAL
Fold the sealing surface to cover the filled blister. Apply even pressure to seal the medication package, (a hand roller is recommended).

FINISHED
It's that easy!

31 Day Single Dose Blister Cards Assembly
